“ Ron & Don, Don Jr, Jim, & Ray and Families, Though we never met your Dad we have met a lot of his family and from the fun we have all had and the good times and laughs. We wish we could have met him as we are sure by the way he raised his family he was a great person. Speaking from us that have lost our parents your memories last forever in your hearts and minds and don't forget to share those good or bad. The Horton family has been special to Hall for several generations and as I came to know each they have become very special to me. The world is a better place because they were here and their family and all who knew them have shared in their legacy and loss. Hall, "Ronney" and John Steele
