“ *Why was her nurse when she lived in California and we became very good friends. She would cook dinner and invite me to come over and have a meal with her and we would talk. When she moved to the East Coast with her son I had a letter return and couldn't reach her on the phone and think about her always. She was a beautiful kind soul and I will love her always.*

“ Brandon, Loren, Garrett, Kristiana, Colleen, Suzi ,And the entire family. My dearest condolences my heart goes out to you all. Katie was a good spirited person who I really enjoyed being around. Even when she had surgery or struggled with issues she always would manage to make you laugh. I will remember her always as a woman of great strength and laughter. May God watch over your family as you go through the days ahead and may you carry the strength of Katie for the rest of your lives.
