“ *May God comfort and be there for Elsie and the family. We know that Jessie is in a happy and pain free garden today, maybe sitting down with my mother this morning. I can never express in words what Jessie and Elsie did for my mother and stepfather, they were always there and when my mother was sick, Elsie took the night shift to sit with her until the end, Elsie, I love you, God bless you and may he be with you today and every day.*
