“ I was blessed to have Jo in my life. She was such a special friend since 1990 when I met her at Twisters Shag Club. She noticed I was alone at a table and came up and introduced herself. She invited me to meet her girlfriends and that was the beginning of a 34 year friendship. She never missed an opportunity to tell you she loved you more and I had to one up her with I love you the mostest. Jo was like an older sister to me and I will always lean on our memories until we meet again in the house of the Lord. I love you Jo, I love you the mostest ❤️
