“ I was a student teacher at Parkland in the early 70's. Joan was such an inspiration for my career. Years later we ran into each other at Baptist Hospital in the chapel and connected again. I lost touch with her a few years ago when her Christmas card was returned. So sorry for your loss. She was one in a million - both friend and mentor.

“ Ms. Malcolm was a wonderful Accounting teacher both my junior and senior years at Parkland High School. This was '78 and '79. She was also a wonderful cheerleading coach of which I had the privilege to be under both my junior and senior years. She always let me in on little secrets, which I have only shared with my precious Mama. She had so much wisdom and was willing to do anything to help!!!!!! I will definitely keep her loved ones in my sincere thoughts and prayers during this most difficult of times. Sincerely, Pam (Hayes) Maynard graduating clas of '79.

“ I had Ms. Malcolm for Accounting both years while at Parkland. She was an inspiration to me as such a confident, smart female. I loved her class and eventually majored in Accounting. I'm sure she will be missed by all who loved her. My thoughts are with her family and friends.
