“ So sorry to read about your Mom passing. My memory of her goes back a lot of years when our Peyton Grandfather died. We lived in the country and Jim and Joan came from Michigan and stayed with us in the country. Not sure if Joan had ever been in the country at night, but it is really dark and of course not any outside lights other than a porch light. It was an eye opener for her. Loved them so much. Love you girls too. Always enjoy all the pictures you have put on Facebook of her. You will be in our prayers.
