

Joanne Hamilton Trevino

February 19, 1965 - July 4, 2020

Joanne Marie Trevino, 55, of Mooresville was at home and surrounded by her family when she completed her journey and passed peacefully to be with the Lord on July 4, 2020.

Joanne was born on February 19, 1965, in Ilion, NY. She attended Shenendehowa High School in Clifton Park, NY, and graduated with the class of 1983. Following high school, Joanne successfully obtained her Bachelor of Science degree in Physical Therapy from Russell Sage College in Troy, NY. After practicing physical therapy for 24 years, Joanne decided to further her education and received her Doctorate of Physical Therapy in 2017 from Arizona School of Health Sciences.

Joanne had various hobbies including running, hiking, dancing, and traveling with her friends and family. In 2008, just two years after overcoming stage 2 breast cancer, Joanne's love for running and passion to live led her to achieve her personal goal of completing the Boston Marathon. She also enjoyed making choreographed family videos that we will cherish for many years to come. Joanne loved to travel, especially to seashores, countrysides, and mountain ranges where she could fully admire Mother Nature's beauty. Her favorite place to visit was Italy where her daughter and best friend, Courtney resides.

Joanne gave her all in each of her roles, as a devoted mother, as a compassionate physical therapist, as a dedicated friend and family member. She was a determined warrior and overcame her first fight with breast cancer in 2006. Throughout her battles with cancer, Joanne never gave up hope and was always so very positive and graceful no matter what adversity came her way. She was a spirited survivor and inspiration to everyone who knew her. Though she left us far too early, she will always be a part of us and we will forever treasure the time we had with her. We are so incredibly grateful to have had her in our lives and we are all now so very fortunate to have her as our beloved guardian angel.

Joanne is survived by her daughter, Courtney Giuliana Falconieri and fiancé Daniel Di Stefano; step-son, Eric Hines, wife Dominique and their children Nevaeh, Nah'Zir, Za'Naviah, and Zymir; her beloved dog, Bear; parents, Rob and Mimi Hamilton; sister, Renee Reed and husband David; brother, David Hamilton and wife Susan; brother, Gary Hamilton and wife Heidi; nieces and nephews; Cassandra Helms and husband Kevin, Lauren Hamilton and son Santana, Caitlyn Reed, Christopher Reed, Jack Hamilton, Grant Hamilton, Brady Hamilton as well as many other dear family members and friends.

In lieu of flowers, the family requests donations to St. Jude Children's Hospital, 501 St. Jude Place, Memphis, TN 38105.

Cavin-Cook Funeral Home and Crematory, Mooresville, is serving the Trevino family. Condolences may be sent to the family at www.cavin-cook.com.

“ *Joanne was the strongest most resilient person I know. I loved when she would have us (her nieces and nephews) go to her house and spend time with us making videos and taking me to get my nails done with her or going out to eat or to a movie with her and Courtney. She always made such an effort to be an active part of my life. I never knew someone who understood me like my aunt, as sad as I am that ive lost that, I am happy that she's no longer suffering and that I had the opportunity to know her. I love you jo and miss you every day. Your beautiful soul lives on through all of us.*

“ I heard the news today that you have left us. I was deeply saddened by this. You will forever be remembered for your contagious smile and warm spirit. You were always so kind and generous with your time with your patients as well as your colleagues. For you, I am happy that you are no longer suffering and can find rest in the comfort of your Father’s arms.

“ Joanne was a pleasure to work with, always positive, helpful and about as easy-going as you could get. We discovered that we both had the same type of illness and she would send random emails just to "check in" with me. We would discuss our trials and tribulations which meant so much to me, having someone to talk to made a big difference in my outlook on life. She was so brave and so strong, a real fighter. She never let her illness dictate what she could or could not do, which was only one reason that made her a great role model. I truly miss her and our chats.

“ I am so very sorry about Joanne's passing. We went all through Shen together and were neighbors as well. I remember Joanne's videos from way back when tech was not so advanced, and they were awesome even then. She was a great girl and will be missed! God Bless!
