“ *Jodi was my rental agent/apartment manager. Any time I came into her office to pay my rent, passed her walking her dog, or ran into her somewhere, she was always genuinely interested in how life was going for me. She was welcoming like an old friend, and embodied the idea of a "good neighbor."We had great conversation every time we met, and she always related and sympathized with whatever I had going on my life. Paying rent never felt like a chore because it was good to catch up with Jodi.I would like to let her family know she was beloved within her community, and she will be missed. I wish you privacy and peace in your time of mourning. I will miss Jodi very much. -Eric F*

“ Thinking of your family and sending prayers. I haven't kept in touch with your family , my first husband was Boyd Pace, Colleen's brother. I also knew the family from Manly. I will always remember your moms friendly smile. Treasure all the memories you have and keep them close to your ?
