

Jody Roxanne Brown

September 28, 1966 - July 16, 2022

Jody Roxanne Brown, a loving daughter, cousin, niece and friend, entered into God's loving arms on Saturday, July 16, 2022. A graduate of South Iredell High School, Jody dedicated her life to caring for others, starting with her parents. Her dad, James Frank (Buddy) was not only her father, he was her best friend. They truly shared life together, including their current project of rebuilding her motorcycle. Her mother Carolyn, died in 1997, and Jody loved her mother forever and always. They had a strong, loving bond. Buddy remarried, and then Jody loved Jan. When Jody was young, her "Granny Cash" moved in and they shared so much time together. Jody realized that caring for others would be her goal in life, especially those who could not always care for themselves. After earning her Master of Arts in Speech Language Pathology at her BELOVED Appalachian State University, she launched into geriatric healthcare, sometimes mentioning that it reminded her of her Granny. Jody's co-workers and friends were amazed at how much she did for those she personally cared for each day, and often into the night. Jody's family was always dear to her heart. She was not able to spend as much time with extended family as she would have liked, but when she could, it was always a good time. Her "dry wit" would have you laughing out loud. She also enjoyed verbal "sparring" and we all know who her sparring buddies were. Jody's love extended to friends who often journeyed with her to App State football games, the beach and the mountains. She loved those friends and those trips! She became the guardian of one of her patients, Leo

Currence, to ensure that he would have a fulfilling life and they loved each other deeply. Her love for nature and animals was evident to all who knew her. She fed and looked after her own furry friends and any that ever crossed her path. Her dedication to preserving nature and animals prompts the family to request that memorial donations be made to a local animal rescue organization, or to the Shriner's Hospital for Children, c/o Oasis Shriners, 604 Doug Mayes Place, Charlotte, NC 28262.

The family wishes to offer their deep and heartfelt appreciation to her healthcare team; the countless friends who called, sent cards & gifts and made cherished visits; and family who travelled far and wide to be by her side showing her how much she was loved. Jody appreciated her amazing family! Jody was predeceased by her Brown and Overcash grandparents and her mother, Carolyn Overcash Brown. Left to cherish her life are her dad, Buddy Brown; her stepmom, Jan; Leo Currence; her aunts & uncles and many cousins. A graveside service honoring her life will be held at Triplett United Methodist Church, 838 Mazeppa Rd. Mooresville on Wednesday, July 20th at 10:30am. If able, please wear something gold and/or black (App State colors).

A true friend and member of South Iredell High Class of '84. Her sweet spirit and compassion was evident as she cared for my Mother in her last days. Her chosen profession was perfect as she showed kindness and grace to everyone she cared for at her workplace. ✨🌹 She will be missed by all that had the opportunity to meet her.

“ Jody was my partner in crime. Late night meals and long conversations were our thing. We traveled well together because we shared so many things in common. She always made me laugh and always gave me advice, even when I didn't want it. :) Her out look and honesty made you love her even more. Her faith was strong even to the end and she was thankful to God for the life she lived. Rest easy JB... until we meet again. EVERY road trip and every tunnel I go through now will be dedicated to you sweet girl.

*Jody was my friend and work colleague at Mapleleaf SNF/Rehab for many years. She loved her family and animals and spoke of them often. She was an amazing and dedicated speech therapist- often coming in extra on the weekends to offer her special care to short and long term residents.
I will miss you Jody- RIP*

“ Jody was a life long friend from childhood. Always enjoyed talking to her when our paths crossed around Mooresville. Living on Hwy 801 near Brown Hill she would often fill me in on neighborhood happenings and news. Connected through the years through Buddy's gas station and that delicious Deluxe Ice Cream. My prayers and thoughts go out to Buddy and the Brown Family.

“ *I met Jody at ASU - we lived in the same residence hall her freshman year and almost roomed together the next year. I loved her joy for life. We re-connected a few years ago through social media and visited at one of the App State football games a few years ago. She enjoyed listening to the band play in the post game. I will miss her comments on social media APP football pages. During Football season, they would have a live show on Facebook one night a week, I would go on sometimes and Jody was always on as well. I will miss her. I know she cared a great deal for her residents. I remember when she purchased her jeep. I will think of you my friend at the APP State games this year. APP State*

Buddy and Jan I am so very sorry to hear about Jody she was such a loving and giving person. I have thought of her often over the years (40 and counting) since she tutored my son so he could pass his grade. Being at the ice cream store with a smile and lots of conversation. I considered her a true friend and saddened by her death.
