“ I know how much he will be missed. So young to be gone - but God takes us in his timing not ours. I will be lifting you all up in prayer and know you are not along in this walk - God walks beside you. Blessings

“ Still can't believe this is real. Sitting here waiting for the phone to ring and it's you asking me to go ride. I can't tell you how much I will miss the riding and messing with the bikes. Hope to ride again together some day. Till then, I miss ya brother.

“ Cammie and Nina I am so sorry to hear about your Daddy. I know there are no words that can be said that will take the heartache away. Please believe this, know in your heart that your Dad and your Mom are always there watching over both of you. Just because you can't see them anymore doesn't mean they are gone. Their spirit will never leave you. They will let you know that they are there if you believe and let them. I love both of you and I am here if you ever need to talk. Oh I found a pic of your mom & dad that was taken 38 years ago at my grandmothers, it was April's 1th birthday party. I will try to send it to you on fb.
