“ *I grew up and went to school with Joel "back in '02". We had so much fun together. I always felt better after talking and being around him. He had a unique gift to make one feel better.*

“ I worked for and with Joel for many years at Reeves Brothers and Foamex for thirty plus years.

Those thirty plus years went by fast and one of the reasons for that was Joel C. Arnold.

Joel had a special knack for making work special and fun at the same time, yet his goal was to make our company great and our employees happy.

My condolences to Linda and the family.

Rest In Peace my good friend.

“ My most vivid memory of Joel was from a family dinner and reunion at my mothers home where my grandmother lived with us - she was Joel's great grandmother and the family usually came to our house for the dinner. Joel was telling stories and several of us were gather around in chairs and laughing at his funny stories. I haven't seen him since my dad died and Joel came by the hospital to offer comforting words, I never told him how much I appreciated it and of course it is not too late but I wish I had. Our deepest sympathy to Lynda and all of the family.
