“ *Mr. & Mrs. Bacon and Family, Please accept our deepest sympathy at the loss of your dear son and brother Joel. It breaks our hearts. We were so used to seeing him on the porch, or with his dogs, or on the computer, or skateboarding with his dog. He must have loved the outdoors. He was always friendly to us and we greatly appreciate it. We will miss seeing him. Bland and Brenda Aaron*

“ Joel, I always loved teaching you. You always had fun, no matter how hard it was. I will always remember our talks in class with you and your brother. You were a special young man and I'm forever grateful to have had you in my life. To the Bacon family, especially his parents, Mary, and Jesse. I wish I could be there to give you all a hug. I'm thinking of you all during this tragic time. Please know that Joel made an impact in my life, and now he is once again with his beautiful brother who was taken too soon. I mourn with you all and pray for your strength. Love,

“ Our family would like to offer our condolences to the Bacon family. We saw Joel just about everyday. He always had a wave for us and a few nice words. The smells coming from his grill would make us hungry. What a wonderful chef he must have been. We can't even begin to imagine what all of you are going through. Just know that your neighbors are praying and thinking of you.
