“ *I taught school at Southwest Jr. High in Gastonia with Joel Cherry back in 1973-75. Joel was a great guy and I loved talking and joking him and lovely wife, Maxine. I was very shocked to read of his passing, as I just found out today. Due to my meeting and be-friending Joel back in the seventies, he introduced me to motorcycling. I suppose a lot of us were going through that phase of our lives back then. We used to ride together and loved it. Joel became a good friend of my father, Dr. Abe Feuer and Joel and Maxine used to stop at our home to visit my parents, even after I had re-located to Durham, NC. I have fond memories of my friend and was delighted when he chose to go into the ministry. The last time I saw Joel was back in probably 1977 or so, so the years got between us and life goes on. I will truly miss just knowing that he is no longer around, but there is a soft place in Heaven for his spirit. RIP, my friend...Ron Feuer*

“ I am SO sorry to learn of Joel passing away. I heard on Sunday the 30th of his illness, and watched the papers to see if he had passed away. I only learned Thursday that he had, and the funeral had occurred. Of all the funerals I hate that I missed, I hate to have missed his the most. Joel was one of my two best friends in elementary and high school. I would bike to his house and we'd play softball; we did skits for events together. In fact, my senior yearbook has us doing the "Dresstease" for a high school assembly; that, and our "King of the Road" skit won us third place at the talent show at the Lake Norman Music Hall one year. What great times we had together, and what supportive parents we both had. I would still see Joel on occasion, especially at campmeeting: always the same ol' Joel. I'll miss him dearly. Maxine, you have my utmost sympathy, and I will always regret not sayigg "good-bye" to him in the proper manner. May God always bless and keep you; my prayers are with you.

“ Maxine and family, Leigh and I are saddened to hear of Joel's passing. We have very fond memories of working together, visiting your home and babysitting the kids from time to time years ago. We enjoyed the teaching skills in playing Spades and now consider ourselves "experts". We had many, many laughs and will always covet our friendship for always. He had a calling to serve the Lord in diverse and effective ways. He will always be remembered as a loyal and faithful servant to all peoples and the Lord. Thoughts and prayers.
