“ Dear Uncle Dave,
Not too long ago you asked me to write your words on my dad's memory wall last year...at the time I didn't realize what a great way with words you had.
Throughout my life, my family lived with yours and we were entwined as you and my Dad would so eloquently say "one way or another."
As I got older, I spent much time with you when my dad was in the hospital..Uncle Dave I love you and hope you are at peace. Thanks for being my uncle and remembering special things about our family.
I love you, Mary
