“ I have lived in Mooresville almost 3 yrs now and on my first day of work at MGSD —John along with Ms.Ginny & Mr.Wayne were the first ones to welcome me to MGSD and over time I was able to get to know him by him being a monitor for me on the Rocky River Pre-K (3 & 4 olds) he would always make those little ones laugh on the trip home ! The one thing that stands out about him was while waiting to pick up the Pre-k we would wait at bottom of Rocky River school road and he would get out and pick muscadine grapes and one year even cut a vine off to try and replant at home ! I loved hearing his stories !

To his family — My prayers are with you 🙏 He will be missed by many 😞
