“ RIP Johnny as kids we lived near each other. He was so very kind and funny. We lost contact for many many years and the first time I saw him was last Summer when the Mt Ulla Class got together and the first word out of his mouth was “ do you remember me riding your old falling apart Bicycle and you said let’s Race. You were on the Horse and I was on your old Wore out Bicycle” He said I did not stand a Chance. We laughed and Hugged each other and I told him I was Sorry. Prayers to the Family and Love to All.
