“ *Catherine, John added grace and gentleness to my life. The kind and caring conversations I had with him will be remembered and cherished. I will deeply miss him. I know he is with the Lord and able to be with you in your heart and soul. I pray that you are able to lean on family and friends to help you through your sadness.*

“ I worked with Mr. Crilly's daughter, JoAnne and had the opportunity to meet both he and his wife many years ago. I am so sorry to hear of his passing and will be praying for his family. I have included a photo made in 2003, when JoAnne was very active with the Davidson College Relay For Life team. It is a great picture, and I thought your family would like a copy of it.Sincerely,Jill Lowe

“ I send my deepest condolences to the family and friends of Mr. Crilly. Although I did not know him personally, the loss of a loved one is definitely a trying time for all. I pray that his family and friends can find comfort in God's Word the Bible, and continue to rely on Him in prayer. At John 5:28, 29 we read: “Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out...” May the promise of this beautiful resurrection give you all hope and peace of mind!
