“ *Uncle Bob was bigger than life and had an uncanny ability to make everyone feel that they were the most important person in the world to him. He was a saint and a scoundrel! Fun and smart as a whip. I hate that I had to miss seeing all the Oden cousins! Kay Sue Leppert*

“ *We knew 'Uncle Bob' was a character before we ever met him in person. Thanks to Louise, we got to rent the house across the driveway from their home in Hatteras village many years ago. Owen and I, with our 2 boys, Will and Josh had the best adventure there. We are grateful to have met them and have fond memories of them. We were able to video chat with Uncle Bob last Thursday, Thanksgiving morning, and he told us he loved us dearly, like his own family. I am thankful for those few moments with him. I seemed to tell him often to behave himself. But now, since Monday, I believe he will.*

Our sympathies to the family for their loss. We appreciate Trinity streaming the service today.
