“ Even before Harrison was saved, he was caring, compassionate and helpful. After he was saved these characteristics were magnified through him with accompanying attributes. All of us that knew Harrison have lost a terrific Christian example. We all need to follow in Harrison's footsteps to be more Christ like. May God comfort his family and friends during this difficult time. We are looking forward to seeing you when we graduate from this life.

“ Harrison was a joy to work with. On one of my days of training, almost every stop he gave away either a piece of gum or candy to the ladies. They were always so happy to see him. He will be missed dearly and talk about basketball will not be the same in the lab without him. I know you are looking down on us with that pleasant smile on your face. RIP
