“ *I mowed Mr. Kardos' grass for about 2 years and he always treated me with the utmost respect. I met him when I was still in high school and he was one of the first people I ever worked for, but more than just working he always cared about me and we talked about life. He was a great man and I am so sorry for your loss.*

*Joyce and family, I'm so sorry for your loss. John was always more than a classmate; he was a friend. When I think of Wallins, I think of you and John. I enjoyed seeing the two of you at the reunions and reminiscing about earlier days. My thoughts and prayers are with you during this time.*

*Joyce Ann, wish it were possible for me to be there to comfort you with hugs my sweet little cousin; I have you and the family in my prayers and thoughts. So glad I got to spend some time with you and Johnny at the Wallins reunions we had over the years. Love you always!*

*So sorry for the loss of Johnny. When I was 9 years old, he and Billy Thurman moved my family from Manassas to Roanoke for my dad to pastor a church. I had kept in touch with him over the years. He was always such a kind, gentle man.*
