

John Christopher William Kearey

January 2, 1950 - May 7, 2021

The family of John Christopher William Kearey is devastated to announce his unexpected passing on May 7, 2021 after courageously battling leukemia. John was born to be larger than life on January 2, 1950 in Durban, South Africa, welcomed into this world by parents Maurice and Marie Kearey. Growing up in New Germany and Durban, South Africa, he loved sports from his earliest days; especially rugby and kayaking, which he insisted were the only sports played in Heaven. He spent much of his life in a kayak on the rivers in South Africa, often winning championships and completing the 75-mile 'Dusi Marathon canoe race between Pietermaritzburg and Durban on the Msunduzi and Mgeni Rivers several times. Even at the ripe old age of seventy he was still kayaking on Lake Norman. He played rugby for Berea Rovers Rugby Club in Durban, completed the gruelling 53-mile Comrades Ultra Marathon, and in later years took up golfing.

John attended college in Durban after completing one year of compulsory military training in the South African Air Force after high school. Armed with a degree in construction/civil engineering he was set on his path in construction, which was to become his life's career passion. He loved and lived construction, and it was important for him to put up beautiful structures on this Earth instead of lesser design and construction. He enjoyed living in Mauritius for three years, rebuilding cyclone-damaged homes and buildings.

Before leaving South Africa at the end of January 2000 John was co-owner of a very successful construction company for 20 years. He brought his

knowledge, experience and adventurous entrepreneurship with him when he relocated his family to North Carolina in January 2000 and set up a construction company again at age fifty - a very difficult and costly undertaking, but John had a goal and did everything in his power to make it happen and provide his family with stability and secure futures.

Family has always meant everything to John. He and Marita were blessed with three loving and amazingly wonderful children - Anthony Kearey, Bridget Kearey Roath (Justin), Ryan Kearey (Simone) - and six adorable grandchildren who adored him - David, Ariana, Siena, Christian, Alana and Kinsley. John spent many hours playing with and teaching his grandchildren, whether it was word-searches, coloring in, pushing the swings, jumping on the trampoline or playing excavators in the sand. These times were very precious to him.

John was loved by many, but none more than by his wife, best friend, partner and soul mate, Marita. After making a commitment in marriage to Marita in April 1975 they have shared together in every aspect of their lives - the good, the bad, the better, the worse, the sickness and the health - and enjoyed many adventures and trips abroad, some with, some without, children, focusing always on family.

Family and friends in many countries have unforgettably great memories of times when John touched their lives in relationships, friendships, business dealings, his selflessness, kindness and generosity, philanthropic generosity, and his mentorship. John loved reading, chatting, gardening and brightening others' lives, and loved to learn.

Besides his wife, children and grandchildren, John leaves behind his sister Gloria Kearey in Sydney, Australia, brother James Kearey (Colleen), niece and nephew Frances and Christopher Kearey in Sydney, and sister Suzanne Kearey and niece Catherine Pollinger in Brisbane, Australia.

John was preceded in death by his parents Maurice and Marie Kearey (Sydney, Australia) and parents-in-law Jan and Esther Otto (Pretoria, South Africa).

In honor of John's memory flowers will be gratefully received as John, the avid gardener, loved flowers. Donations to the Leukemia Society in John's memory will also be greatly appreciated. John was also a big supporter of the New Life Academy in South Africa, providing an education for underprivileged children who not otherwise be able to receive one.

The family would love to know how John touched lives from all who would like to share their experience and welcome all thoughts and prayers as they travel on this unknown journey of grief and loss. Thank you for your love and support.

“ *It was a pleasure to know John and Marita when we returned from service in Africa. We felt that we had fellow Christians in our church who shared an understanding of our experiences. I saw him a few times in the past few years as he worked on houses in our neighborhood. He was always friendly, but also purpose driven. May God give His peace and comfort to John's family and to all who loved him.*

“ John,

I sit here with a heavy heart struggling to come to grips with your passing then a smile slowly comes across my face as I think who's trailer are you going to borrow now.

I met you in a Sunbelt rental store as a newly immigrated South African, you immediately welcomed me into your family and helped me find stability in this new land. Who would have known that this would lead to a wonderful friendship as well as a strong business relationship.

We spent many fun days on Lake Norman and at your house. Your humble home was always busy and full of people who loved to be around you. Anybody who arrived was made to feel part of the family within minutes. Your love for your family was extended to all who knew you. Your 4th July parties were an example of your love for people.

It was always a pleasure to hear your voice on the other end of the line. " Alan - what's good" you would say. We would then laugh and joke about you needing to borrow a trailer or something. After a few minutes you would then say " OK now the serious stuff" and we would discuss the latest construction project. You were always concerned that as a sub contractor we were being looked after and taken care of. You were like a father figure to me. I always valued your advice and willingness to help me.

John, words can not begin to describe how much we are going to miss you but we are comforted in knowing that your legacy, values and morals live on in the family that you and Marita raised.

" Wena hamba gashleh U Baba"

All my love

Alan.

“ *We had the privilege of knowing John when he was in South Africa. Our hearts linked and as a family we did much with John, Marita and their family. John was always someone who could be depended on and trusted and he was always the first one there if anyone needed any help. He was humble and kind and never needed the praise for the things he did. He loved the Lord and used what he had and who he was to bless many. We spent much time in their home and were blessed to laugh and cry with them and share our lives. Thank you for the beautiful memories we have of you special man, Ian and I will always be grateful to have had you in our lives. To Marita, Anthony, Bridgit and Ryan you are in our hearts at this sad time. We will pray much for you for strength for the journey that lies ahead and for an overwhelming sense of God's presence with you. We send you so much love from Ian, LaVerne, Jodi and her family and Dustin and his family.*
