“ *Dear Mrs. Starkey, I work at Rockwell, and was just thinking about Jack a few weeks ago. Little did I know, until yesterday, that he had passed away. I am so sorry for your loss. I very much enjoyed working with Jack. He was a very patient, kind man at work and taught me a lot in regard to one of our reporting systems. I will pray for him and for your family at this time of great loss. God bless! -Nan Bender*

“ Dear Marcia, Sharon, Laura, Susan and the rest of the gang, I learned of Jack's passing through work on Monday when I called to check up and I wanted to pass on my deepest sympathies! It was an honor to take care of a man that was so dear and beloved by his family and I thank you with entrusting me with his care this weekend! I know those were some of his toughest hours and I'm grateful he's no longer going through that! It was such a privilege to see some of his self shine through at lunch on Saturday and to see the charming and delightful man you all loved so much! My prayers are with all of you as you navigate this life without him, know that you all will hold a dear place in my memories and it's family's like yours that give me a deep sense of pride and passion for what I do as a nurse! Much love to you all! Take care!
