“ I think about you everyday. I miss you everyday. I love you everyday. Wish I could get one last hug. Thanks for being an awesome dad to me and my siblings. We still have the Christmas Tree up, that you helped put up. And, we still have the lights shinning on our house, they still look good. Even though it is February, we still have everything you helped put up, up. Life is really hard without you. We cry for you because you were a good man. We cry for you because we love you (not loved, we still do love you. No matter where you are, we will always love you). We will see you again one day, until then I will continue to hold you close in my heart. I will continue to love and miss you. I will always have you in my mind heart and soul. Love you Dad. Love: Zoliandra

“ I woke up today missing you so much! The pain is real and my heart is yearning to hear your voice and hug your neck. I love you so much and still can't believe your gone. Life does go on and I know I have too because Jesus gave his life for us to live life abundantly! I know you're with Him and free from pain, sorrow and bondage! Love you forever my son. IN CHRIST LOVE, MOM

“ John - was absolutely one of the most fun people I've ever been around. The kind of person you ALWAYS looked forward to hanging around, no matter the situation. We shared so much, you and I. A love for music and people, dreams. Not to mention multiple apartments! I have SO many memories and THOSE can't be taken from me. I am mad that I didn't get a chance to see you after it had been so long. I had so many things left to say to you. Since I believe in Jesus, I'm going to go ahead and assume you already know what I want to say. Best believe the words "I love you" are in there somewhere. I'm sorry to have missed a chapter of your life but I knew all along that God had a plan. I am happy that you had a child and I hope that he knows that his Daddy was a one-of-a-kind guy that had legions of friends up here where he grew up. I pray for the family. I'm so sorry Georgie.
