

John Kenneth Pedone

May 23, 1975 - November 27, 2023

John Kenneth Pedone of Mooresville unexpectedly went to be with his Lord and Savior on Monday, November 27, 2023, surrounded by his loving family.

He was born May 23, 1975 in White Plains, NY. Always kindhearted and gentle towards others, John enjoyed time with his family and friends. Given his amazing entrepreneurial spirit, he spread his wings early and moved around the country and the world building different businesses. During one of his trips to Brazil he met the love of his life Elizabeth. After long-distance courtship they got married in May of 2008 and settled in the US. At that time John found passion in real estate that would become his life's calling. Following the birth of his beloved daughter Ana Carolina, looking for the best place to raise his family, they settled in Cornelius NC. He became a great Realtor working for Keller Williams and later for eXp Realty. Always willing to help and encourage everyone, he didn't meet anyone who wouldn't become his friend.

Most important to John was his family and he will forever be remembered as a loving and devoted Husband, Father, Son, Uncle and Friend.

He leaves a lasting legacy of love and faith to be cherished by his survivors, his wife of 15 years, Elizabeth, his daughter Ana Carolina, his father John Pedone Sr (wife Vera), mother Connie Pedone (husband Terry Wolfe),

brothers: Michael (wife Suzanne), Evan (wife Ashley), and Andre (wife Mylene) as wells as nieces and nephew: Emily, Molly, London, Mila, and Leonardo.

A Memorial service will be held at 11:00 AM on Friday, December 1 at the chapel of Cavin-Cook Funeral Home.

“ My sincere condolences to Elizabeth and Ana Carolina and all of John’s family. I just learned of John’s passing almost a year later, but I wanted to leave a note about the wonderful man John was and his impact on our life. John cold called me one day in 2020 because we had our lake house on the market for almost a year without a sale. He was so nice and professional. He came over to our house - with a plan - helped us stage the house with his own items - and helped us get it sold within a few weeks. He then spent evenings and weekends with us until we found our forever home! With his help, we ended up in the most beautiful place we could have dreamed of. He made us laugh constantly and always reassured us that everything would work out - just leave it up to him. We did and it did work out. Moreover, I’m married to a Brazilian woman as well and our wives hit it off when they met. We remained friends but lost touch as life took us in different directions. Needless to say but we are heartbroken to learn of John’s sudden passing last November. He touched countless lives with the joy he brought to doing his job and because he truly cared about those he helped. John was truly one of a kind and will be missed!
