“ I had the pleasure of working with John for many years. John was a great mentor to me on many levels. He was a great boss and really looked out for his premium audit team. Always a promoter of insurance education and the importance of the premium audit department, he was the reason from me obtaining my insurance designations. He was always willing to talk finances and of course, the 401k program. While serious at work, John had a great sense of humor! One of his signature lines after coming back from a long lunch: "My hair grows on company time, I had it cut on company time". He also was a big fan of the Pittsburgh Sports teams. My condolences to family. Don and Joan Eckerle

“ I worked with John years ago and when I started as a very young person he explained the 401k and how important it was to start to save. I have ever been grateful for his advice on it and think about that often now that I am ready to retire. He was a kind man. I am so happy he enjoyed a long retirement. Condolences to his family.
