“ Dear Betty, Debbie and Phyllis, I am so sorry to hear about Johnny. I remember all the times our families spent together at the river. Some of my fondest memories of those times were the stories Johnny would tell, mostly about something my dad Kenneth had done! His sense of humor and the sound of his laugh makes me smile, even at this horrible time. With deepest sympathy, Tammy Icard

“ Betty, my heart aches, alongside yours and the rest of the family, for the loss of Johnny. He was a wonderful and caring husband, father grandfather, great grandfather, and friend. You and Johnny have been dear friends of mine for a very long time, and I will always cherish the times we spent together. Johnny, had many great attributes, but one of my favorites was his sense of humor. He will be sorely missed by all who knew him. I am sorry that I will be unable to attend his service, but my thoughts, prayers and love will be with you and the family.
