“ *So sorry to hear about John's passing. My sympathies to Judi and the family. While growing up, my father Charlie often spoke of his cousin Johnnie as the brother he never had and that Johnnie served as his best man at my parent's wedding. I'm sure they are together now, out on the water or enjoying a spirited card game. May they both rest in peace until our time comes to join them.*

“ *My prayers and sympathy are with you all who are missing your dear love one! I hope you find comfort in knowing your tears of sadness will be done away with shortly, replaced with tears of joy when you are reunited with him. John 5:28, 29*

“ To my friend John: John, you were a very spirited and multi-talented person, and truly one of kind. You were the center of your immediate family, with whom you Loved and Adored so much, and expressed that explicitly when I saw you back in July 2014. Words cannot express the loss, and I feel very privileged and blessed to have spent some quality time with you and Judy, and the rest of your family a few years back when I resided in Mooresville. You are Loved by all of your family and friends very much, and will be sorely missed. Time moves too quick, and Life is too short. I'll see you in Heaven someday my friend, and may God Bless you and your Family always. Your Friend, Ray
