“ *Johnsie was a woman who worked hard all her life, she loved to cook for her family, especially white beans for her six brothers every time she had a chance, She loved planting a big garden with Howard and they enjoyed growing flowers in their yard. These are some of my special memories of her. May she rest in peace. Love, Sue M. Sherrill*

“ *Will always remember that love she always showed. Baldy says he will always remember that home cooked meal she had for him the day he put her cabinets in. It was an instant bond with them. Will always remember her.*
