“ *I have just found out today that Johnsie passed last year, and am so sorry that I didn't know. I have special memories of Johnsie having lived with her for 3years during my early teaching years at Mooresville Jr High. I learned so much from her that I have carried with me until now. She was a special, special lady to me and my family, and I will never forget her kindness. Sandra, if you are able to see this, please know that I loved your Aunt Johnsie, and regret not hearing of her death last year.*

“ I remember *Johnsie* so fondly from attending *Broad St. UMC* as child, but it was a relationship forged in later years that I am also very appreciative of. She will be missed by so many.
