“ *Jolynn was my first real girlfriend. We met in typing class at Edsel Ford High School, she was a sophomore and I was a senior. Dated till I joined the Army in 1958. She was a wonderful girl and I'm sure she became a terrific wife, mother and grandmother too. My sympathy to her family, I know they lost a real special person. This was sad news for me.*

“ I enjoyed meeting Jolynn at the Beefcarver when she would come to Dearborn for an appt. We always had fun. She was a dear friend. I will always miss her. She loved all of you so much and would tell me something good about each of you or where she was going on her next trip. I will always remember Jolynn with love.

“ Mark, Kristen, Brad, David and other family members, I am so sorry for your loss. You may not remember me, but I knew both of your parents many years ago when they lived on Andover Drive in Dearborn next door to the Georges' house. I was your back-up babysitter when my dear life-long friend, Elaine George, couldn't babysit!!! I have fond memories of your mom when she lived in the Ford Foundation. I used to get together with her for dinner every couple months or so for the past several years with Tracey Mrozek (since deceased), Elaine (George) Trocino and Marylou Brandt. We always had a good time reminiscing about the good 'ol days. She was always very proud of all of her children and grandchildren and talked about all of you and her visits to CO, NC, and IL to visit you. Her Michigan friends have really missed her since she moved. Your mom was a great person....I always admired her for the wonderful job she did raising all of you after your father's tragic death in 1975. Please know that your families will be in my thoughts and prayers. I would like to know if there is any charity or organization that donations can be made to in your mother's memory. Several of your mom's friends from Michigan are wondering if there are addresses or email addresses where we can send condolences to. We are also wondering if your mom had been ill...we never heard from her again after she moved to NC. In sympathy, Julie(Heagerty)Koch Email address:
