*My son, why did you have to leave me. I didn't get to say I love you one more time. I didn't get to feel that 'bear hug', the best hug in this world. I didn't get to see your beautiful smile once more. Your beautiful heart, the best heart of anyone I know. I'm forever gonna miss these things and so much more. I wish I had one more day, one more chance to tell you how much unconditional love your Momma had for you....or as you would call me, Momma Dukes. You always made me laugh, even when I didn't want to. I'll be seeing you again. That's what will get me through this. Til then, you fly with the angels and watch over me. Love you forever and always my sweetheart.
