“ Fred and JC close friends and I believed that talked just about everyday before Fred beat JC home this past October. I loved to listen to his stories and his laugh would always make me smile. Judy would just smile at the two of them. My thoughts and prayers are with the family and most of all with Judy during this time. JC's spirit will live on in my memories. PS I love the picture you posted.

“ We send our deepest condolences to all of JC’s family and friends. Most of y’all know that he and I met because he needed a part for his 66 pickup. That was only in the spring of 2015, but it seems like a lifetime ago that I was blessed to be considered one of his friends. I’m so thankful that we got to spend some time together last week and so grateful I got to see that famous JC grin! We all can take comfort in knowing he is with our Lord because if we weren’t talking about trucks we were talking about Jesus. Sure is a big hole in our lives but there’s lots of great memories to help fill it. Continued prayers to all of y’all
