“ *Dear Mrs. Hawver and all you great kids!! I just remember truly having fun being around your family in East Aurora. I know you were a very special friend of my Mom. I also remember that terrible day when Michael ran a stop sign driving one of my Uncle Jack's big pick-ups and hit Mr. Hawver's car so hard.....they both had working angles on their shoulders. And when trying to figure out where my Mom was...we found out you and she were out having a lovely ladies lunch..what were the odds.All my best wishes and prayers go out to you at this really difficult time...you in our thoughts.  
Love, Sue*

“ Mrs. Jeanne, We still think back on what kindness you and Mr. Stu showered on us and our small girls when we first moved to Terrell. They were especially sad when you left Terrell Store. It was never the same. We will surely miss seeing Stu around the area. God's love and peace will lift you up during these difficult days and those to come. We prayed for you tonight at supper and will continue to do so in the coming days. We will also keep you on our Partners In Christ Sunday School Class Prayer List. Berry & Julia Caldwell

“ I send my deepest condolences to the family and friends of Mr. Hawver. While no words may ease your pain, rest assured that the pain we feel won't go on forever. John 5:28, 29 talks about a hope we have of seeing our loved ones again when they're resurrected back to life. Once resurrected, they can enjoy the promise found at Revelation 21:4 which speaks of a world in which death, tears, mourning, and pain have no place, for “the former things have passed away”. Please visit our website at [jw.org](http://jw.org) to learn about this beautiful hope and more.
