“ I knew Josh since he was born. He was a very intelligent even at a young age. Grew into even smarter adult that lived for his family. The boys were the light of his eyes. He loved all his family but him and his mother Tammy had a special bond. The last time we talked I told him how proud I was of all his accomplishments. He told me that he had always thought of me as a mother figure to him. My heart is broken. I will miss him desperately. Rest in Peace. All my love and prayers for all. Kay Newman

“ One Christmas, Josh and his boys bought a lot of toys and clothes. His family and mine went around in Wilkes county and gave the things to several less fortunate families. Made you humble and grateful.
