“ I am very sorry to hear of Joyce's passing. I have wonderful memories of the Bamby Bakery crew and the "girls" trip to the beach, loading up into the 2 van caravan to Myrtle.... and the many memories of Pines Pool and church at Thyatira and even spending the night at yall's house.

When Joyce worked for Salisbury Police Dept, I would see her a couple times a week when I was working uptown at Spanky's. I will keep your family in my prayers and have a smile on my face knowing she and Geraldine (Moma) are hanging out in heaven together.

“ *Joyce was such a great person. I met her when I worked at Tar Heel Hardware. A very kind person who kept an eye on everything at the Fire Department.*

She was more than a great blessing to Thyatira church. So happy and cheerful.

I'm sorry that I will be out of town for a few days, and will be unable to attend the Visitation and Funeral.

May God's blessings be the family.

Patti and I are deeply sadden to hear of the passing of JOYCE. Please know we are praying for Dan and all the rest of the family. Joyce was a real jewel to work with. Her support as Administrative Assistant to me was a blessing to the entire fire department.

I know she Love her job , because it showed in everything she did to help us grow into the fire department we have today.

Everyone leaves their mark as they go through life and Joyce sure left hers with everyone she met. It was an honor for her to have been a part of our lives.. (Especially mine) Doug.

“Joyce and I worked at Bame's Restaurant together many years ago. She was a wonderful person, and we shared lots of laughs. All of you were fortunate to have had her for a mother. I didn't see her much, but when I did we connected like it was yesterday that we were together. God bless you all and give you comfort that her journey is complete and she is really home now. With love and prayers, Mary Ann and LP Barger
