“ even though i just recently met her, i can't ever forget when she walked into daniel's room while he and i were on the phone, asking about a photo album she had made. the last thing she said in conversation, which i repeated for about a week, was "it just don't make no sense."

i wish i had the chance to see her more in person, talk to her more, just sit and listen, or try some of her recipes that daniel did nothing but talk so highly of. i wish i had a chance to know her better and feel like i deserve to be crying over the loss of her. i can't even imagine the sorrow this has caused your family. however, i could only imagine life without her "just don't make no sense."

i wish all of you relief from the loss of such a beautiful, loving, strong willed mother, mamaw, sister, friend, etc. i could never ever forget a legendary woman like her.

love you all, -brooke
