“ To The Workman Family,  
God looked around the garden and found an empty space. He looked down upon the earth and saw her tired face. He put his arms around her and lifted her to rest. God's garden must be beautiful for he only takes the best. He knew that she was weary, and he knew she was in pain. He knew that she would never be well on earth again. He saw the roads were getting rough, and the hills were hard to climb. So he closed her weary eyelids and whispered peace be thine. Even though she is gone you are still my family and I love you with all my heart.
