“ Such a beautiful girl, Julia, graduated from this life on earth to her eternal home in heaven! I look forward to seeing her again someday in heaven. Absent from the body, present with The Lord. The apostle Paul said he would rather be with the Lord. Heaven is a real and beyond description place and we live forever there. But, her absence from Earth now is a big loss in your lives now. We love you and pray that the presence of the Holy Spirit is real and tangible to you all and also that you would hear from the Lord or experience with Him, what would bring healing to each one of your grieving hearts. So much love and admiration in my heart for you!

“ Thinking of you and wishing I could be there with you today. I pray the Comforter is truly with you in power and might. As I think of Julie, the words of an old gospel chorus come to mind, "...cares all past, home at last, ever to rejoice." Love, Marlene Howard
