“ We are so sad to hear the news about Julie. She was such a valued friend and always went out of her way for you no matter how busy. Boy did we have fun on those soccer fields watching our girls play at 8:00 am on Saturdays! She was always there with a smile and that is how I will always remember her.

“ Julie will truly be missed. She was my first friend and the memories of growing up together are some of my best memories. We shared so many adventures and dreams all through school and college. Although I was not able to connect with her when she made the trip to NY she was always in my thoughts and prayers. To Michael and the girls I give my deepest sympathies. To Frank, Joyce, Jeff, Sherry, Lorrie, and Frankie my thoughts are with all of you. I hope you all look back on the time you had with Julie and find comfort in those memories as much as I will. Keep in mind she is looking down now with those same memories to comfort her.???

“ Our dear friend, Julie, impacted our lives more than you will ever know. Her gentleness, kindness, grace and dignity were shining lights in our hearts ever since we met in 1997. We shared happy times (birthdays, anniversaries, family gatherings and racing) as well as some sad stuff (job challenges, beloved pet losses) and through it all David and I would always feel like we could depend on both Mike and Julie for love and ever-present support. We extend our deepest sympathy to Mike, Samantha, Taylor and the entire family. Heaven has gained a special angel...soar on, dear Julie...and give Wiggles a little love pat from us. Love, David & Susan Vaseleniuck
