“ I am so proud to say you were my good friend through my wife Darlene and you truly brought a bright chapter to my life. Heaven gained another angel and you will be missed as much as you were loved.

“ I've known Julie for about 50 years, even tho we lost touch for most of them, we did get back in touch about 15 years ago. We made up for all the lost time getting together whenever we could. I'm so glad we did because Julie had a big heart and always worried about the people she loved. She was a true friend and I will always love her. My thoughts and prayers are with Dawn & Tiffany and I will always be here for them. My heart now has a piece missing but I will Love and always remember you ❤️ Rest in Peace My “Dancing Queen” until we meet again in Heaven 🙏
