“ I worked for Ms Julie a couple years ago, and we always looked forward to seeing each other. She was such a happy, sweet, and giving soul. Im glad I was able to know her, and know that we will see each other in paradise.

“ I love and will miss you so much Ms. Julie. You have been apart of my life my entire life, pretty much like a second grandma. Please give my Grandma (your best friend Helen) a big kiss for me and please continue to watch over me and Mo and Jay. Rest in Paradise Chelsea

“ Julie, or Ms Julie as I called her, and my mother were the best of friends for 67 years. So I've known her since I was 2yrs. old. Ms. Julie was like a second mother to me and my siblings, in attendance and helping out at all of our major and milestone experiences.
She and I, both February Aquarians, were a lot alike. I always admired her confidence in herself and 'take no prisoners' attitude. We just lost mom 6 months ago and this is like losing another mom. My deepest sympathies goes out to Raymond and the family for their loss.
Ms Julie, I know that mom was right there waiting for you in heaven when you arrived. Back together again, I hope heaven is ready. I love you and will miss you dearly, your "daughter", Jackie King
