“ Seb, Carol and I have sort of lost personal touch with you and June over the years, but you and I have regularly communicated through email and Facebook. I cannot imagine the loss you must now feel. The closest I can come is to imagine how I would feel without my wife Carolyn. We have also been married 49 years (50 next April). We will not be able to attend the memorial service. Our thoughts and prayers are with you, that He will help you through this. Barry & Carolyn Blackwood

“ While I never met this lady, I did meet Seburn a few years ago. Since that time, we have communicated often. My acquaintance with Seburn tells me that June was a very fine person! May the good Lord bless and keep you Seburn as you pass through this difficult time after forty nine years sharing your lives together.
