“ *Justin always had a smile on his face and was a huge inspiration to his fellow Scouts while in Pack 170. His willingness to 'Cross Over' as a WEBELOS all those years ago was very memorable as one of his Adult advisors. His family should be very proud of him. Please know that you are in my thoughts and prayers.*

“ I am so sorry for your loss. It was a privelage to have met Justin and to have cared for him the other night and he was absolutely one of the sweetest boys I have met. “ I remember like it was yesterday when Justin and his family moved to NC. Justin was in first grade. My son Tyler kept coming home and telling me about this really cool new boy in his class. From that day on, Justin and him were inseparable. They were in every class together in elementary. Many scouting events and sleepovers. If there was an electronic or machine to check out or tinker with, justin was teaching tyler how it worked. They even tore apart my printer and put it back together!! The entire Baird family felt as though Justin was family. We will miss this "cool kid" but our memories will last forever. Alicia, Van and Rachel, words cannot express what I'm feeling. I can only imagine what you are feeling. Love you all
