“ *I just found out this afternoon that Gayle Frye passed away. I was wondering why I haven't seen her in a while or been able to find her on the radio. I enjoyed listening to her preaching and when she would giggle, it would make me smile, because it reminded me of our school days. I will miss seeing her, but I know she is 100% happy, because she's in the perfect place now. REST IN PEACE GAYLE. " YOU MADE IT "*

She was so proud of you and loved you very much. She will be missed by many including me. I know she is happy now and we should not be sad but I am. Rest in peace my friend. Will see you again.
