“ *Karen was dear friend of ours, who camped beside us for many years, at Toe River Campground. We shared many meals together and she loved my biscuits, I made in the gas oven. We shared many happy times and I will miss her. I will always treasure the Christmas placemats, she made me and the lap quilt for my little dog. I know she is resting in the arms of Jesus and is reunited with her husband. Thank God for heaven where there is no more pain from cancer.*
