“ *To Carrie's Family and Friends, What a beautiful tribute and celebration of life. I know Carrie's spirit is nearby and present as she is celebrated. I haven't seen Carrie since she was a teenager. During Carrie's celebration of life, over and over it was emphasized Carrie was a wonderfully strong, kind, and generous person, who put others above herself. Truly a life worth living. I truly believe that our earthly existent is merely a flash of light in eternity, and soon we will all be reunited in our heavenly home.*

“ *Karrie was the finest champagne in human form. Bubbly. Special. Memorable. A walking celebration in life who loved each day with gusto. She vocalized and acted on the adoration she had for her family. Karrie was effervescent in life. She will be remembered fondly for the rest of my days. May peace and comfort fill the hearts of all who know and love her. I hope you'll raise a glass of champagne to honor the bubbly spirit of Karrie.*
