

Katherine Lusch

December 15, 1963 - February 14, 2024

Dr. Katherine Weeks Lusch, "Kathy," 60, of Mooresville NC, passed away peacefully at home on Wednesday, February 14, 2024, surrounded by her loving family.

Kathy was born on December 15, 1963, in Austin, TX, to Michael and Pat Weeks. She was raised in Cary NC and graduated from Apex High School, North Carolina State University, and the Brody School of Medicine at East Carolina University, obtaining her MD degree in 1991. She did her three-year residency in family practice at Carolina Medical Center in Charlotte NC.

Kathy practiced medicine for 29 years in the Charlotte - Mooresville area. In 2016 she opened her own solo practice, Blue Skies Family Practice, in Mooresville. She decided to set up her own practice so she could offer her patients longer appointments and more personalized care than was possible in a practice owned by a third party.

Despite the demands of her medical career, Kathy successfully raised three sons. Adam Lusch obtained his bachelor's and master's degrees from North Carolina State University. His twin brothers, Brandon and Kyle Lusch, are undergraduate students at East Carolina University.

Kathy was an avid devotee of physical fitness. Growing up, she was a year-

round swimmer and avid tennis player. She continued swimming for exercise and relaxation throughout her adult life.

In addition to her three sons, Kathy is survived by her husband of 15 years, Jerry D. Slaughter, two stepchildren (Jerry A. Slaughter and Aspen Slaughter), her parents, brothers (Dr. Michael O. Weeks and Adam L. Weeks) an aunt, three cousins, a niece, a nephew, and a host of friends and former patients. She was preceded in death by her first husband and the father of her children, Kirk Lusch.

Kathy's funeral will be held at 2:00 p.m. on Saturday, February 24, at St. Luke's Episcopal Church, 131 W. Council Street, Salisbury, NC 28144. A reception will follow the service.

In lieu of flowers, memorial donations may be made in Kathy's name to the Novant Health Cancer Institute, 170 Medical Park Road, Mooresville NC 28117.

Cavin-Cook Funeral Home & Crematory, Mooresville, is serving the family of Dr. Lusch. Condolences may be made to the family at www.cavin-cook.com.

“ Kathy was my first love in high school - she was hard working and taught me how to study - without her support and love I never would have finished College. We had so many great moments but sadly grew apart. Her family is first class and I hope brothers Michael and Adam are well!

With love Dan Conway

“ I worked with Dr. Weeks at Lakeside for years and years. I loved her! She cracked me up on a daily basis. She was also a support for me when I was pregnant with Twins. She always said I was meant to carry twins! She had a kind heart and a sense of humor. She was very protective of her kids and very picky about a babysitter. It was a running joke at work! She will be missed.

Dr. Weeks was my Dr. for about 2 years before she became ill. She was a fantastic caring person and Dr. who spent all the time you needed . She never made you feel rushed and was always so accommodating. Pray for her souls and those of her family left behind . I hope the family and friends find comfort in knowing how important she was in her patients and friends lives .
