Makes me so happy that my wife and my mom got along so well. Our mom is the best I'm telling you without her like my baby brother says we would be nothing. Nothing but love from my mama

“ Everything I have in me that's good I got from you, mama. You taught me how to love and laugh, to always be there for family and friends in their time of need and how to make the best out of every bad situation. You were the truest example of how to be a wonderful person. The only sad memory we will ever have of you is the day you left this world. Every other memory will make us smile and laugh, for sure. Thanks for being such a good example to us all. If I can be half as good a person the rest of my life as you were you're whole life, I'll be happy with that. Til we meet again. Love, Baby Boy.

I grew up with this family 🤔❤️ and I loved Juanita. There was never a dull moment even as she found her way to come and visit with my mama for hours in their later years of being such close friendsI certainly miss her unique laugh that was so real
She showed her love for Ms Nancy, my mama(rip) and she loved her back !! As Terry n I drifted apart, these two kept their genuine friendship, as they are together again , it's sad that that are not with us...
RIP Ms Nita, I love you.

You will be Missed So Much Grandma Nita! You've ALWAYS Treated Joshua and Myself as your own and We Love you SO VERY MUCH FOR THAT! I will miss our talks on the porch! I remember when I was about 13 yrs old, I was living with you and I came in late and you had a pillow & a light blanket on the porch (swing) & you said, Since I was late coming home- "that was my bed for the night"- LOL!! And, you stuck to it!! I love you So Much! I know you are with GOD now!

“ My mother loves us all so much and she was the most kind and loving person you could have ever met!! She worked hard for 6 months nursing me back from terminal stage 4 lung cancer and did not leave my side. My mother accepted Jesus as her lord and savior October 10, 2021 so I know my mother Juanita Moore is with Jesus now watching all her 4 kids her 8 grandkids and her 8 great grandkids what a legacy she left behind. I love you mother and I will always do whatever I can to make you proud. RIP the Greatest Mother Ever!!
