“ We have so many great memories living next door to Kathe. We called her BEADS. Beads was one of Zoe’s best friends. They played dolls, painted rocks, watched movies, lots of Swimming. Beads took great care of Zoe when she was stung multiple times by a wasp that was caught in her hair. How awesome to have Libby and Sean next door too for many years. Trey and Sean loved to jam guitar by the fire pit in the back yard and Sean was the first one to welcome us to Pine Ridge Dr by offer to help unload our u haul. Libby was really awesome at Guitar Hero. Beads and I loved our gardens. We had lots of Fruits and vegetables between us. Nothing like catching up while Tank and Harry ran around barking and chasing each other and Zoe & friends jumped on trampoline. Beads was always there to listen and give hugs. There are a lot more stories... I could go on. We are very sad, but know she is in a better place! We love you Beads!
