“ *Glenn and sons, Kathi's siblings, I was so sorry to learn of Kathi's passing. I had not known that her illness had advanced this far. My sympathy and prayers are with you in this loss of such a sweet, caring, and wonderful woman as Kathi surely was. She and I had such good times working together on our Peacock genealogy and organizing the reunions. I had not been in touch with her in more recent times so I wasn't aware of how her condition had deteriorated and was so very sorry to read it in the paper. Please know that she was loved and much respected among her distant Peacock cousins. May God bless you and all the family and comfort you. Brenda J. Templeton*

“ I'm so sad to hear of Kathi's passing. My first job in high school was working with Kathi at the old Western Auto. I lived with her and Glenn for a short while and babysat Allen. I loved Kathi like a sister even though we rarely saw each other over the years. She was a real sweetheart. God bless her family.
